

# Round-Table Discussion with JUACEP participants:

**Information on study abroad in the U.S. & Canada and more!**

16:30 Tue.

June 27, 2023

at Aerospace Meeting  
Room #347, 3F, EB-2N

We invite the prospective JUACEP participants and engineering students interested in studying abroad to meet our guest students from the U.S and Canada, listen to their short talks, ask questions, and make new friends.

- ❖ To reduce anxieties of your life abroad
- ❖ To know what you need for the beginning of your life abroad
- ❖ To have dependable friends in your life abroad....
